SUBSCRIBERS

For the past seven years, the Alberta International Airshow has been building a passionate fan base on social media channels and through newsletters. With fun contests and exciting announcements, our fans are both receptive and engaged.

The Alberta International Airshow is an all-family event, for everyone from six-year-olds to those 60 years of age and beyond!

Parents 30-44 are the primary purchasers. These individuals typically buy three to five tickets for the entire family.

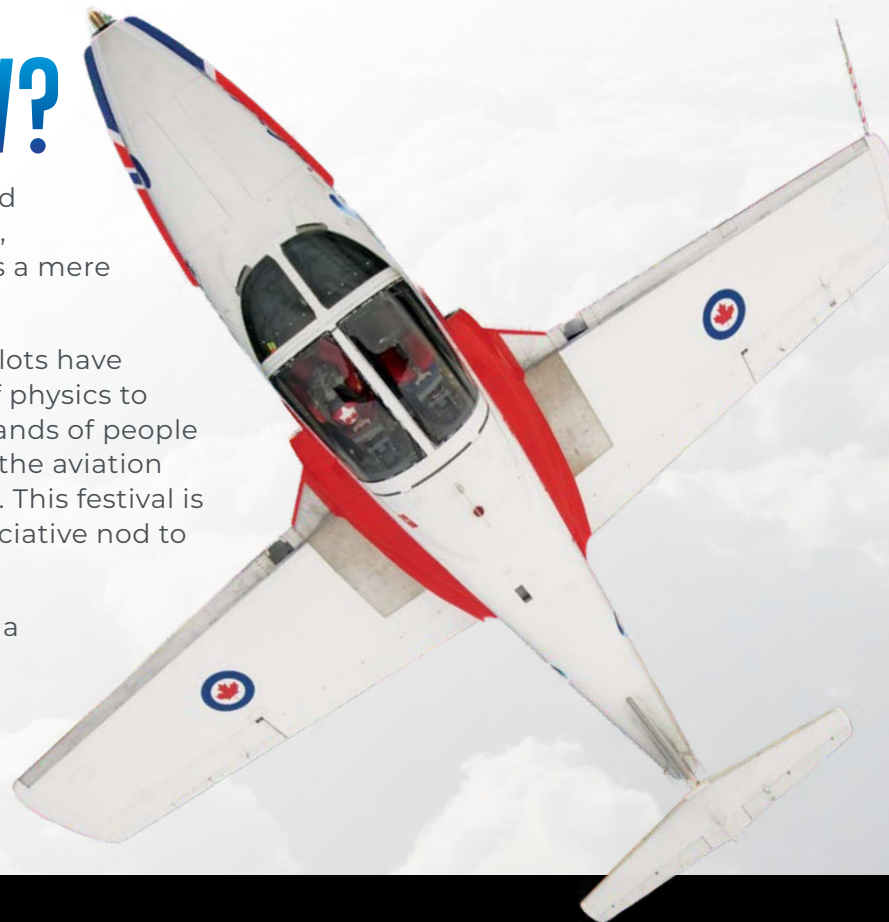

WHY AN AIRSHOW?

There isn't much that stops us in our tracks and makes us stare in awe these days. But massive, beautiful aircraft in the sky, flying like gravity is a mere idea? That'll do it!

Alberta has a long history with aviation. Our pilots have defied gravity and pushed through the laws of physics to create incredible shows for hundreds of thousands of people over the years. This event raises awareness for the aviation industry and elevates our local history of flight. This festival is proudly produced by VilleAero and is an appreciative nod to our brave and courageous military.

Come experience the rush of the show and be a part of the excitement in the air! This is your chance to rise above the rest.

The Alberta International Airshow is a preferred destination for the US Air Force.
